===== Evaluation Summary =====
Number of episodes   : 20
Mean return          : 53.470
Std return           : 12.379
Min return           : 20.615
Max return           : 67.946
Median return        : 52.848
Mean length          : 30.00
Std length           : 0.00
Mean tracking error  : 0.018465
Std tracking error   : 0.015699
Min tracking error   : 0.004856
Max tracking error   : 0.070103
```
